Training Calendar for Tripura Rural Livelihood Mission (TRLM)

For

FY 2022-23

Preface

Training and capacity building is the sole of the Tripura Rural Livelihood Mission (TRLM). The National Rural Livelihood Mission (NRLM) is being implemented by Tripura Rural Livelihood Mission (TRLM) in the State of Tripura. Without the effective training and capacity building of policy makers of livelihood mission, staff members, community resource persons, SHGs and their federations it may not be possible to achieve the goal of the livelihoods mission. Capacity building is a time taking and continuous process, so it has to be done in a planned way in a regular basis. Around 30 % of the TRLM budget is kept for the training and capacity building of all kinds of stakeholders of the mission.

NRLM is a highly process oriented and quality driven programme. Therefore, it is very much important for regular upgradation of the capacity of the mission through the capacity enhancement of staff, CRPs, partners and stakeholders. Under the ambit of NRLM, Tripura Rural Livelihood Mission (TRLM) is working with holistic approach to address different dimensions of poverty. The capacity enhancements are being done for the thematic areas such as Institution Building and Capacity Building, Financial Inclusion, Livelihoods both farm and non-farm, Social Inclusion and Social Development (SI & SD), PRI-CBO convergence, Food-Nutrition-Health-Wash, gender initiatives etc.

TRLM has expanded to all 58 blocks of 8 districts and also reached to more than 3 lakh HHs and 33,000 SHGs. To support this expansion TRLM have planned for training and capacity building of staff, master trainers, state resource persons, community resource persons etc. further training to women SHG members, SHGs/ VOs/ CLFs/ PG/ FPOs etc. With a view to this TRLM have prepared compiled training plan for the staff members, thematic training for all stakeholders and sectoral trainings for the women SHG/ their family members.
